

Adding the Hilliard Gymnastics calendar for Android phones

From the browser on your computer (not your phone) go to <https://calendar.google.com/> (log into your google account if you need to).

On the left of the screen choose
Other calendars -> Add by URL.

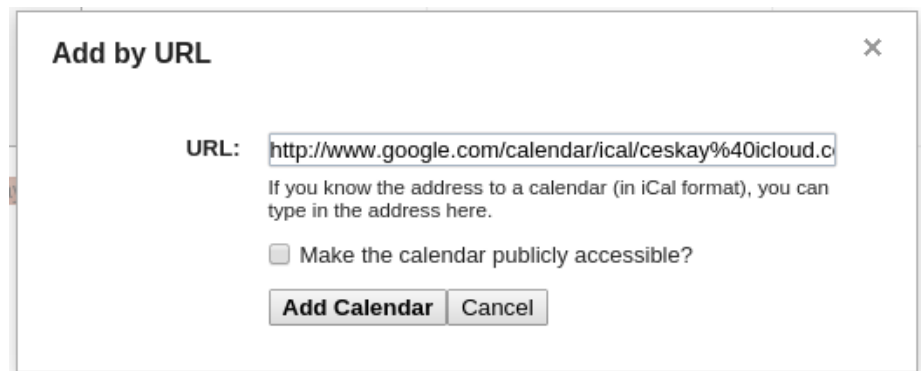

▶ Other calendars

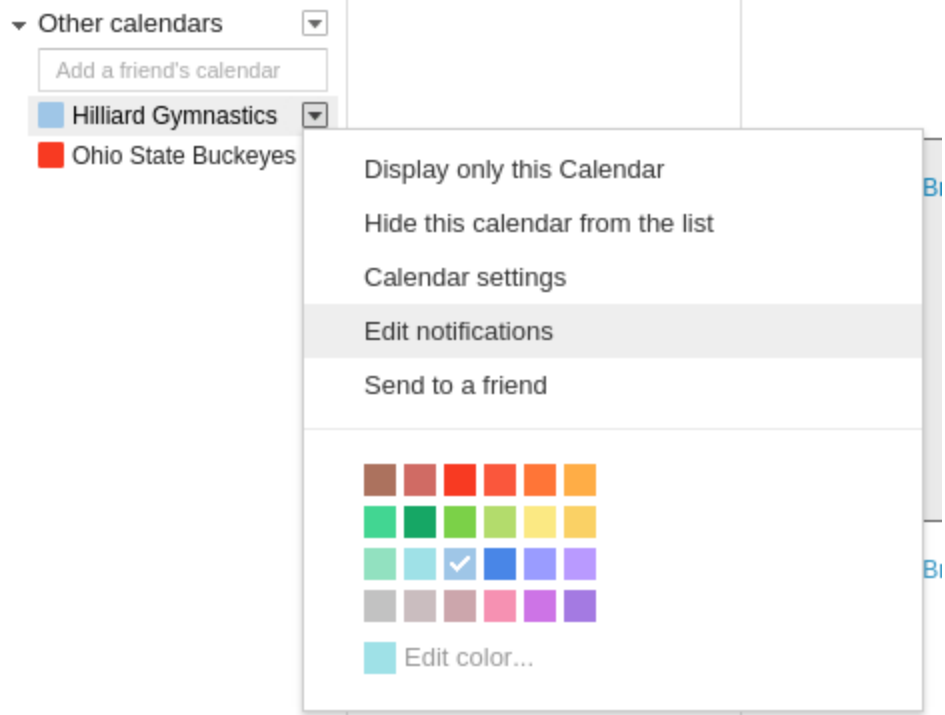

In **Add by URL** dialog, enter the URL:

<https://www.google.com/calendar/ical/ceskay%40icloud.com/public/basic.ics>
and click **[Add Calendar]**

After it is added to your Google account, the calendar will appear on your Android phone within an hour.

You can control which notifications you receive from the menu:
Other calendars ->
Hilliard Gymnastics ->
Edit notifications

In the **Hilliard Gymnastics** Details dialog, the **Event notifications** and **All-day event notifications** fields indicate whether a notification should appear on your phone right before the event occurs.

Click **Add a notification** to change either setting.

The **Choose how you would like to be kept up-to-date** field indicates whether you want to be notified when Coach Carol adds the event to the team calendar. Check the **Email** column for those notifications you are interested in.

Remember to click **[Save]** if you make changes to this screen.
