

Adding the Hilliard Gymnastics calendar to your iPhone

Under the **Settings** app, choose **Accounts & Passwords**. (If running iOS 10, choose **Calendar** -> **Accounts** instead.)

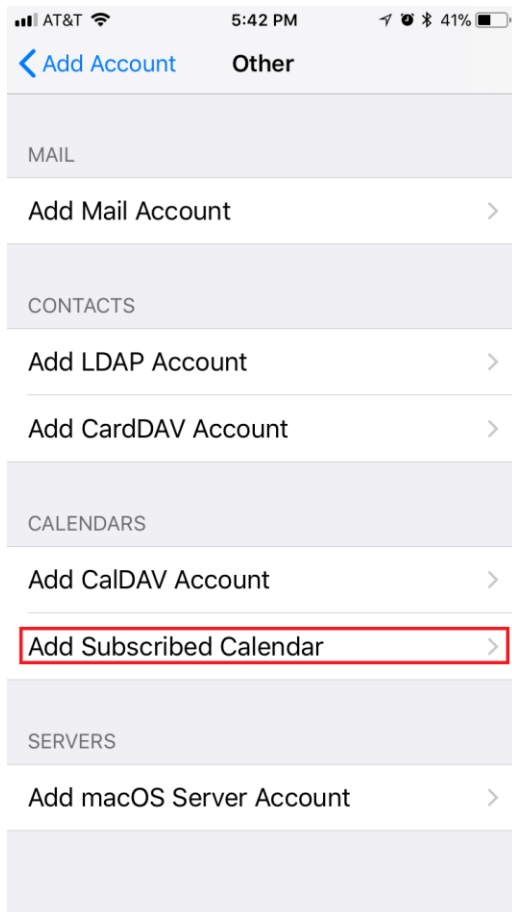

Choose **Add Account**.

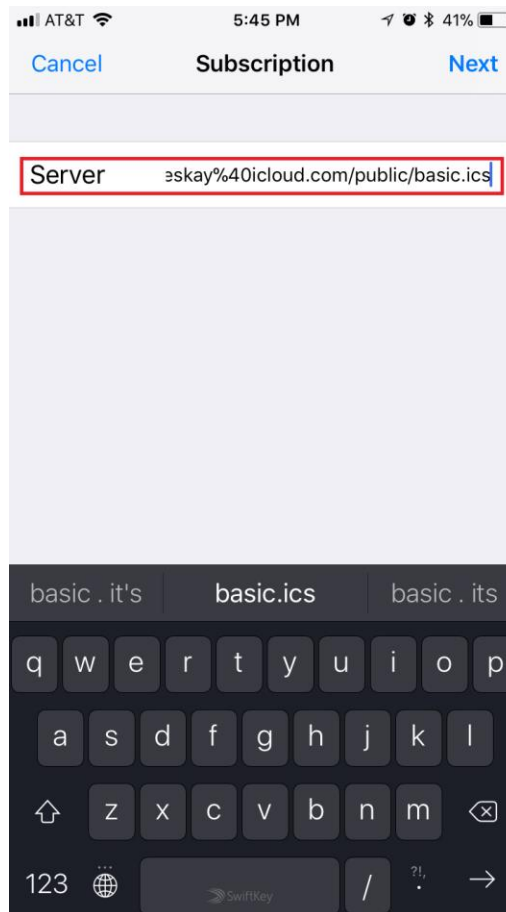

Choose **Other** account.

Choose **Add Subscribed Calendar**.

Carefully enter <https://www.google.com/calendar/ical/ceskay%40icloud.com/public/basic.ics> in the **Server** field and press **Next**.

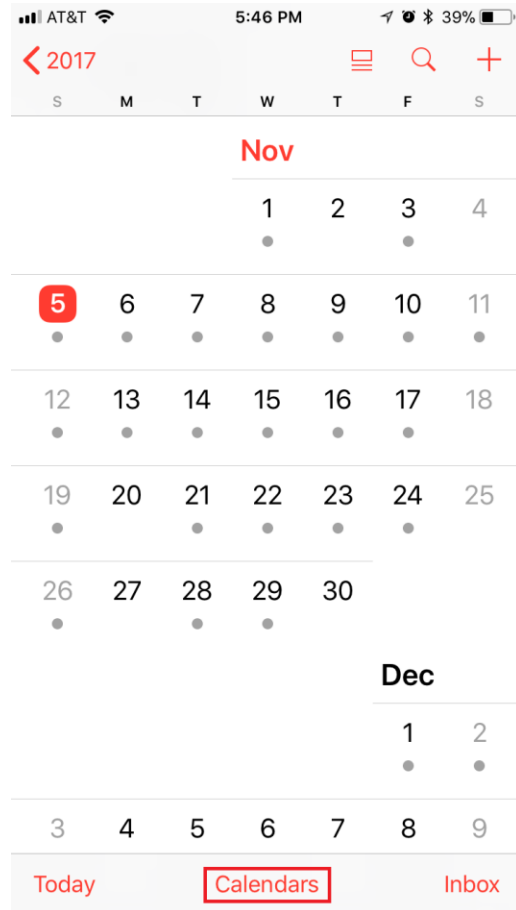

If the server address was entered correctly, the **Description** should show **Hilliard Gymnastics**. Press **Save**.

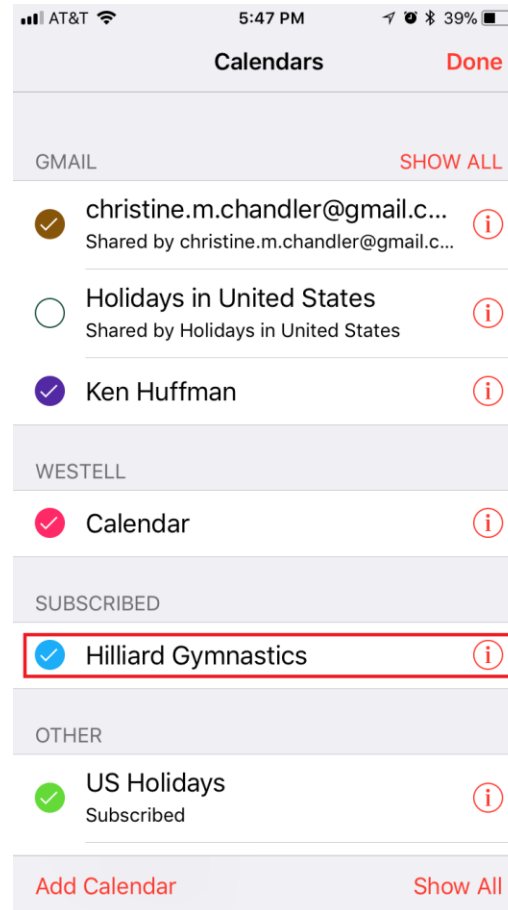

The **Calendar** app should now display the Team calendar. The app can be customized to be show or hide the calendar or control alerts.

At the bottom of the **Calendar** app, you can press the **Calendars** button to see all your calendars.

You can show and hide the calendar by checking or unchecking the calendar name. You can change alerts by pressing the **i** icon.

Turn on and off alerts with the **Event Alerts** button. You can also change the calendar color to Hilliard **Blue**. Press **Done** to save changes.
